Central Church, 803 Wadsworth Street, Radford, VA 24141

Dear Community Partner,

For the third year, Ephphatha Network Ministries, Inc., together with local churches, businesses, and volunteers, is bringing neighbors together for a Community Thanksgiving Dinner. This is about more than a meal. It is an opportunity to build relationships, serve one another, and remind people that they are part of a caring community.

In 2024, we served more than 100 neighbors. In 2025, over 30 volunteers helped serve 250 people, and a church partner contributed \$1,000 to support the gathering. We are inviting community partners to help make our third year possible.

Our 2026 fundraising goal is **\$3,000** to help provide turkeys, hams, side dishes, drinks, desserts, and serving supplies. We welcome gifts of any size, including sponsorships of **\$1,000 or more**, as well as donations of food and supplies. There is no maximum contribution.

If you are able to partner with us, you can give online at:

To discuss a business or church sponsorship, or an in-kind contribution, please contact **brad@effatha.org** or **(240) 779-4363**.

Thank you for considering how you can help make room at the table. Good food. Real people. A stronger community.

With appreciation,

Pastor Brad Smith
